

Vier Lite AIR Roller Blind

Product Information

Vier Lite AIR Roller Blind offers a robust, every day roller blind that matches quality construction with practical operation. Utilising new generation hardware, the Vier Lite AIR uses the base rail to operate the Roller Blind providing a premium child-safe solution, giving you a clean installation without chain or tensioner.

The Vier Lite AIR system incorporates many advanced features that provide you with precise operation whilst raising and lowering ensuring that the blind stays in the desired position via simple hand operation creating an effortless experience.

An optional pull stick is available for hard to reach blinds.

The Vier Lite AIR Roller Blind is suitable for residential and commercial use.
